**NOTICE OF PROMULGATION
TO THE INDUSTRY IN SCOTLAND & NORTHERN IRELAND**

2 STAGE WAGE AGREEMENT – 2010 to 2012

The Scottish & Northern Ireland Joint Industry Board for the Plumbing Industry has agreed the following graded rates of wages and allowances to operate on and as from **Monday 7 June 2010**.

OBSERVANCE OF JIB PROMULGATED RATES OF PAY AND ALLOWANCES

The Board takes this opportunity to remind all employers that they must pay the rates of wages and allowances promulgated by this Board which are deemed to be the “recognised terms and conditions of employment” for all plumbing labour in Scotland and Northern Ireland and which represent the contractual entitlement of plumbing operatives and apprentices who are subject to the plumbing industry’s working rule agreement.

Failure to pay the rates of wages and allowances promulgated by this Board is likely to be deemed to be an “unlawful deduction from wages” in terms of the Employment Rights Act 1996 and subject to statutory remedy. Employers are also reminded that in terms of the plumbing industry working rule agreement employers are required to operate the industry pension scheme (subject to the legal right of an employee to have his own personal pension, stakeholder or be contracted into any supplementary state pension scheme) and the industry holidays with pay scheme (operated on behalf of the industry by Plutos Holidays (1972) Ltd).
