

SITTING THE CORRECT CSCS HEALTH AND SAFETY TEST

The CSCS test you sit will depend on your current grade with the SNIJIB, or the SNIJIB CSCS grade card you are applying for. If you have more than one grade with the SNIJIB (e.g. you are graded as a Plumber and a Supervisor), you must clarify to the SNIJIB which card it is you are renewing.

If you are unsure about your current grade with the SNIJIB or if you have any questions about the test, you can get in touch with us to confirm.

| Test | Grade |
|--------------------------|--|
| Non-Plumbing | General Operative Labourer Apprentice Site Visitor Plumbing Related Occupation (unrelated to plumbing work) |
| Plumbing | Plumber/ Advanced / Plumber Heating Fitter/Advanced/ Engineer Mechanical Pipe Fitter/ Advanced Plumbing Related Occupation (related to plumbing work) |
| Plumbing with Gas | Gas Service Fitter/Engineer/ Technician |
| Site Supervisor | Super |
| Site Manager | Manager |

Please note that the SNIJIB can only issue Plumbing and Non-Plumbing CSCS health and safety tests. If you require a Manager or Supervisor test, you will need to approach another test provider.
